

Greeting Parents,

I hope this letter finds you well and in good spirits. NETFLIX is coming up soon! We have begun creating our routines and ordering costumes for the end-of-year show NETFLIX. Below is important information for you and your family.

NETFLIX Tickets Are Available:

Tickets are on SALE now! Make sure you invite friends and family to see the show. The show is on May 17th and 18th but not all classes are on both days. Each class will be assigned a day in which they perform. Shows on Saturday will be at 12, 3, and 6. Shows on Sunday will be at 12 & 3. Tickets can be purchased at the link to the right or they can be purchased at www.theartz8.com/shows. You can also purchase tickets at the door but seating will be limited. Please note that there will be concessions sold as well as other merch so be prepared with a little extra spending money. Also note that all funding raised from the shows go right back into the studio and towards our nonprofit for new equipment for your students to use such as resistance bands from Germany, balance balls from the UK, new metalwork from the Ukraine and new trapeze from Atlanta.

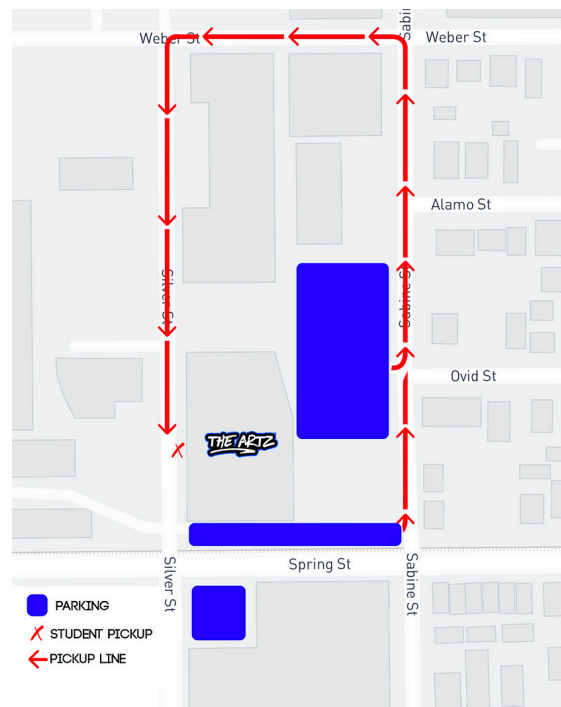

Pick-up Process after the show:

The pick-up process will be the same as last year for those who were here. For our new performers, after the show, performers will have a few minutes to take pictures with friends and family in the hall. Once this time has passed, students will be escorted to the changing room. At this time, parents will need to exit the building and make their way to the pick-up location. This is to make room for the next show coming in so they can park. Once at the side door, students will be released after they are done changing and parents make it to the pickup location.

To eliminate confusion, students will not be released unless a parent is waiting at the pickup location.

Don't forget to order your NETFLIX shirts with everyone's name on it for the finale!!

Yearbook!

As we prepare for NETFLIX. This year, we are putting together a yearbook to capture all the memories of the year and what these individuals have accomplished. We are asking for everyone to contribute in some way or another by sending in pictures, quotes, or anything else you would like to see in the book. We have sections that need your input such as:

SUBMISSIONS

- Then and Now: Where we feature students with a baby picture of them then and a current picture of them in aerial or anywhere else doing what they love.
- Epic Fails: Pictures of these amazingly gracefully stars getting stuck in fabrics, folding the wrong way and any other strange poses you may have.
- Out and About : Students at other events like ECHO or any other circus related event.
- **Nominations:** If you want to nominate your child or others for an award such as class clown, most likely to trip on air, or anything else you can think of.

Dress Rehearsals:

The following dates for Dress Rehearsal have been set so everyone has time to practice their show.

Saturday 12 pm Show will rehearse on April 27th at 1:30 pm

Saturday 3 pm Show will rehearse on April 27th at 4:00 pm
